2) Cancellation of the Inam tenure & disposal of certain lands belonging to Sri Lakshmi Narasimha Swami Temple in Dvd. Taluk.

Muz File No. 101 of 1938. General and Revenue Secretariat

It is partly to redress & meet the water Contribution levied on the temple lands that the Cancellation of the Inam tenure of the dry lands & the Sale of the same in public auction has been proposed. It is respectfully submitted that the lands will perhaps be retained for the Instn., if the R-R-s Dept. has allowed Concessions in respect of such temple lands. For rolls of the file may be referred to the Secretary R-R-s for obtaining details in the matter.

Acreage contribution is payable by all holders of dry lands, which become wet by the construction of an irrigation work undertaken by Govt. The rules relating to payment of Acreage contribution payable in such cases contained in the Revenue manual, Vol. I, do not contemplate any exemption from payment of the contribution. It is therefore a point for orders whether there is any necessity to consult the Chief Engineer in the matter. The value of lands under the Cauvery river is generally Rs 500 per acre. Dry lands which are generally worth about Rs 25 per acre

Cancellation of remission of certain lands ordered in favour of Lakshmi Narasimhaswami Temple, Dudda Mandya, T.K.

will not find the levy of an acreage contribution of even Rs 100 per acre oppressive, as the value of such lands will be raised by at least Rs 350 by the construction of perennial sources of irrigation like the Krishnarajasagara.

22.10.38.

The Mysore Government proposal may be sanctioned. The lands will all be disposed of as dry lands and the proceeds credited to the temple. As regards the lands which become irrigable, revenue contribution may be recovered & credited to Govt.
